## SCHOOL ACTION FOR SAFETY AND HEALTH

Promoting Injury and Illness Prevention Programs for California's School Employees

### FREE Training for School District Employees

Presented by the Commission on Health and Safety and Workers' Compensation and  
UCLA's Labor Occupational Safety and Health Program (LOSH)

The SASH training program is a FREE hands-on, interactive, 1-day course that trains key school district employees to become health and safety leaders for their district. Participants will learn key occupational safety and health concepts, Cal/OSHA basics for schools, how to develop an effective Injury and Illness Prevention Program (IIPP), and how to take a leadership role in promoting safety for school employees.

#### Who Should Attend this Training?

- Human resource department staff responsible for writing the district's IIPP or overseeing other health and safety activities
- Directors of maintenance and operations
- Head custodians and other department managers
- Risk managers and loss control staff
- Union representatives
- Members of employee health and safety committees
