

# 24-Hour Specialist Training on Worker Safety & Health and Leadership Development

## LS 115 - WORKPLACE HEALTH AND SAFETY

The UCLA Labor Occupational Safety and Health Program (LOSH), in collaboration with the Los Angeles Trade Technical College (LATTC) Labor Center is offering a training for staff and worker leaders in unions, worker centers, and community organizations.

### SKILLS TO BE LEARNED INCLUDE HOW TO:

- Identify and control a full range of hazards and unsafe working conditions;
- Recognize elements of an Illness and Injury Prevention Program, Cal/OSHA's IIPP;
- Conduct root-cause analysis and develop strategies to take successful action;
- Communicate effectively about health and safety with employers;
- Participate in effective workplace health and safety committees;
- Effective access to Cal/OSHA and Workers' Compensation Resources
