

24-Hour Specialist Training on Worker Safety & Health and Leadership Development

LABR ST 115 - Workplace Health and Safety

The UCLA Labor Occupational Safety and Health (LOSH) Program, in collaboration with the Los Angeles Trade Technical College (LATTC) Labor Center, is offering a leadership development class for union, workplace and community members.

PARTICIPANTS WILL LEARN HOW TO:

- Identify and control a full range of hazards and unsafe working conditions;
- Conduct root-cause analysis and develop strategies to take successful action;
- Communicate effectively about health and safety with employers;
- Recognize elements of an Illness and Injury Prevention Program, Cal/OSHA's IIPP;
- Participate in effective workplace health and safety committees;
- Access Cal/OSHA, Workers' Compensation and other local resources

TO REGISTER:

Contact Olga Garcia, Admissions and Records Assistant at Los Angeles Trade Technical College via email at garciaoa2@lattc.edu or visit the following link: www.lattc.edu/guides/enrolling.

*The following LATTC fees will apply: \$46/unit + \$19/semester Health Fee + ASO Rep Fee \$2/semester and \$7/semester ASO Membership Fee, which students can opt out of.

For more information about LATTC's Labor Center visit the following website:
