

# HEALTH AND SAFETY RIGHTS

## 1. RIGHT TO KNOW

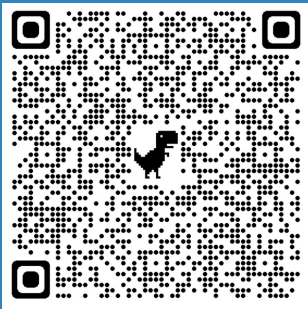

You have a right to know about any hazards in your job and any injury and health information related to those hazards.

## 2. RIGHT TO PROTECTIONS

Your employer is responsible for providing a safe workplace. This includes controlling hazards, providing training and providing PPE. There are additional hour and industry protections for underage workers.

To file a complaint:

To report retaliation:

## 3. RIGHT TO ACT

You have a right to discuss hazards protections and injuries with your coworkers and bosses. You can refuse unsafe work, and file safety complaints against your boss without fear of retaliation.

To file a claim:

To find an attorney:

## 4. RIGHT TO COMPENSATION

You have a right to wage replacement and compensation for medical care if you are injured on the job.
