

# 8-HOUR HAZWOPER REFRESHER VIRTUAL TRAINING

The UCLA Labor Occupational Safety and Health (LOSH) Program is pleased to invite you to participate in its upcoming 8-hr HAZWOPER refresher trainings.

The goal of this 8-hr HAZWOPER refresher training is to ensure workers stay up to date on relevant topics and safety practices related to hazardous waste management and emergency response.

## WHO SHOULD TAKE THIS TRAINING

Workers who completed a 24-hr or 40-hr HAZWOPER training must take the 8-hr refresher within 12 months of their previous HAZWOPER training as required by 29 CFR 1910.120 and 8 CCR 5192.

## COURSE FEATURES

This 8-hr HAZWOPER Refresher meets the requirements of both 29 CFR 1910.120 and 8 CCR 5192.

The course will feature live instruction via Zoom, engaging breakout group activities, and a short Q & A session to allow participants to ask instructors questions related to their work.

Regularly scheduled breaks and a one-hour lunch break are included.

Topics covered include:

- HazWaste and Toxicology Review
- Instrumentation and PPE
- Other emerging hazards

Upon course completion, participants will receive an electronic certificate. Participants are also eligible to receive 8 REHS contact hours.
