8-HOUR HAZWOPER REFRESHER VIRTUAL TRAINING

The UCLA Labor Occupational Safety and Health (LOSH) Program is pleased to invite you to participate in its upcoming 8-hr HAZWOPER refresher trainings.

The goal of this 8-hr HAZWOPER refresher training is to ensure workers stay up to date on relevant topics and safety practices related to hazardous waste management and emergency response.

WHO SHOULD TAKE THIS TRAINING

Workers who completed a 24-hr or 40-hr HAZWOPER training must take the 8-hr refresher within 12 months of their previous HAZWOPER training as required by 29 CFR 1910.120 and 8 CCR 5192.

COURSE FEATURES

This 8-hr HAZWOPER Refresher meets the requirements of both 29 CFR 1910.120 and 8 CCR 5192.

The course will feature live instruction via Zoom, breakout group activities, and an interactive virtual field exercise. Regularly scheduled breaks and a one-hour lunch are included.

Topics covered include:

- Regulatory Updates
- Air Monitoring and PPE
- Emergency Response Review
- Other Emerging Hazards

Upon course completion, participants will receive a digital certificate. Participants are also eligible to receive 8 REHS contact hours.
